# FOND DU LAC COUNTY DEPARTMENT GOALS -- 2016

| DEPARTMENT: | COUNTY LIBRARIES |
|-------------|------------------|
|-------------|------------------|

#### **PURPOSE**:

This appropriation reimburses municipal libraries for the cost of serving rural residents. Libraries support the education of the public, contribute toward the economic development of the county, and provide recreational opportunities for children, families, and individuals.

#### **GOALS:**

Support and grow literacy programs in all forms including technology and financial literacy.

Provide access for all county residents to all forms of information: expanding access to electronic services while continuing to maintain and grow print collections.

Support economic development within the county while assisting the unemployed and under-employed in job and career searches and research.

Provide the best possible service to the tax payer through fiscally responsible resource management.

#### **ACCOMPLISHMENTS:**

Brandon Public Library received a grant, allowing them to add preschool story time activity bags to the collection, reaching more children and homeschoolers in the area.

Brandon's 3D printing continues to bring more people into the library learning about new technology, what it can do, and enhance STEM learning in the library.

Campbellsport Public Library spent the past 6 months updating the children's collection, shelving materials in a more user friendly manner. The book covers now face out on the shelves so children can browse through the books in the various reading levels.

Updating the collection and reorganizing the books has increased circulation. Children and parents report how easy it is to find books that excite them.

Fond du Lac Public Library, with help from the City of Fond du Lac, purchased the building next door, converting it into "Chapter 52," a used bookstore that will benefit Library programming. This has freed up significant space in the Library's lower level, which will be used for the "Idea Studio," a creative community space scheduled to open in early 2016.

Fond du Lac has created the *Cindy Casseta Barden Teachers' Resource Center*, an area specifically geared toward teachers and educators, providing workbooks, kits, technology and other resources. Ongoing funding for the collection will be provided by a new endowed memorial fund established at the Fond du Lac Foundation in memory of local author and educator Cindy Barden.

Spillman Public Library in North Fond du Lac added an additional performer for the 2015 summer reading program. Summer reading program registration numbers continue to grow over the past 7

years. We went from just over 100 seven years ago to just over 300 registering this year. These are children ages 4-12.

Spillman also added a few 5 additional hours per week to our children's librarian's schedule for the period of the summer reading program.

Oakfield Public Library added a Large Print rotation of 18 titles per month to supplement and extend the existing Large Print collection. More ESL and bilingual books have been added to the collection in order to provide services to the migrant and Hispanic population in and around Oakfield.

Ripon Public Library reformatted the summer reading programs to be less wasteful and more focused on community.

RPL also worked with the Ripon Area United Way to promote Dolly Parton's Imagination Library, which provides free books to children under the age of five who live in Ripon.

# FOND DU LAC COUNTY **DEPARTMENT GOALS -- 2016**

DEPARTMENT:

**UW EXTENSION- COOPERATIVE EXTENSION** 

#### **PURPOSE**:

The purpose to which the Fond du Lac County UW-Extension, Cooperative Extension commits is: to teach, learn, lead and serve, connecting people with the University of Wisconsin, and engaging with them in transforming lives and communities. UW-Extension offers timely access to University research and knowledge. Through a partnership with the county, UW-Extension faculty and staff work on local community issues that impact youth, families, agriculture, businesses, and local government and community organizations.

#### **GOALS:**

AGRICULTURE: To conduct research and disseminate research-based information to farmers and agribusiness professionals that will improve the sustainability and profitability of Fond du Lac County agriculture.

COMMUNITY DEVELOPMENT: COMMUNITY DEVELOPMENT: To equip residents, business/industry representatives, nonprofits, and local government officials with content knowledge and process skills to make more informed decisions and work together productively. Educational programming contributes to increasing entrepreneurship, improving organizational development and productive decision making for non-profit and public groups, promoting energy conservation/sustainability among County and City of Fond du Lac employees, and improving education about drinking water wells.

4-H YOUTH DEVELOPMENT: To enrich youth, families and communities through citizenship, leadership and life skill experiences. The 2015-16 year will include training for volunteers on ways to increase belonging, service and leadership for members. We will enhance youth development opportunities geared at first generation 4-H families. We will continue our efforts to reach out to the Latino community with programs and new opportunities for them to get involved.

FAMILY LIVING PROGRAMS: To build supportive communities for families, children, and individuals through quality educational programming and local collaborations. Educational efforts for 2014 – 2015 will focus on the following familial and community needs: parenting, health literacy, financial stability and self-sufficiency, affordable housing, nutrition education, food preservation, food safety, obesity prevention, and poverty awareness.

#### **ACCOMPLISHMENTS:**

OVERALL: Annually, the faculty and staff of UW-Extension Fond du Lac County conduct almost 300 educational events, reaching more than 16,000 county residents. In addition, thousands of citizens access information from the extension office through media efforts and web-based programming. Specific accomplishments, can be accessed through 2015 "Briefings" articles and the 2014 annual report available at <a href="http://fonddulac.uwex.edu/">http://fonddulac.uwex.edu/</a>

AGRICULTURE: Fond du Lac County farmers and agribusiness professionals gained knowledge and made informed business decisions about their farm operations based on information received from the county Agricultural Extension agents.

#### COMMUNITY DEVELOPMENT:

- Designed the process and facilitated the work of the City of Fond du Lac Lakeside Park Exploratory
  Committee. Recommendations were presented to City Council and will be used to guide budget and
  planning decisions in this main city park for years to come.
- Obtained a \$5835 grant to survey county well users. Information will be used by multiple county
  departments to enhance and improve educational efforts to ensure residents have safe drinking water
  and know where to go for assistance.
- Strengthened work with IGNITE! Business Success network by hiring an Entrepreneurship Educator dedicated to teaching an entrepreneurship basics course and promoting the availability of IGNITE! partners to the area's existing and aspiring entrepreneurs.
- Structured the research protocol and directed the work of three Ripon College Business students who
  are interviewing minority entrepreneurs to learn about their business success and help IGNITE!
  improve messaging and services to reach all county residents.
- Taught and facilitated working sessions for the Living Well Coalition, Gottfried Prairie and Arboretum,
   Winnebago System Aquatic Invasive Species Program Coordinators, and Saint Mary's Springs Academy
   and consulted with representatives from four other non-profit organizations.
- Guided the work of the Energy Communications Team seeking to promote conservation among City of Fond du Lac and Fond du Lac County employees.

4-H YOUTH DEVELOPMENT: 4-H Youth Development programs developed life skills of critical thinking, communication, cooperation, responsibility and self-confidence through youth as officers of 21 local 4-H clubs, developing the club's annual calendar of activities (fundraisers, guest speakers, field trips, monthly demonstrations, community service), serving on planning committees for events, applying and interviewing for various positions, counselors planning and leading camp, serving on the county horse board, county 4-H board and state youth council, taking part in National 4-H conference, Cloverbud Day Camp, winter leadership camp, performing at music and drama festival, speaking and demonstration contest, fashion and foods revue, organizing the New Horizons Experience, hosting international students and traveling abroad; working on projects (i.e. woodworking, computers, arts, animals, nature, photography, food, sewing, etc.) that are explained to a judge and exhibited at the county, Alto or state fair; keeping records of activities and expenses during the year and writing a financial summary as well as reflecting on what was learned. To engage more youth in programming, events such as family learning day, summer camp and day camp were opened to community youth outside of the 4-H membership. Goal setting was emphasized at the club officer workshop, in the club chartering process and in a club training. 4-H teen leaders led sessions for Boys & Girls Club. Latino outreach: Young dreamers (Latino Youth Group) was visited by UW-FDL students working on their service learning, they presented new a great variety of topics and interacted with the Latino youth. We developed a new relationship in North Fond Du Lac and created a summer program for the Green Meadows community to raise awareness of our programs and opportunities and to engage families in a year-long program.

FAMILY LIVING PROGRAMS: Family Living Programs are accomplishing- The Wisconsin Nutrition Education Program (WNEP) made 4,254 educational contacts at 27 partnering agencies, including governmental agencies, non-profits and schools. Three hundred seventy two parents seeking a divorce participated in the court mandated co-parenting program or the court ordered paternity program- Keeping It About the Kids. Early childhood parent education was received by 817 families through the Parenting the First Year and Parenting the Second and Third Year newsletter. Fond du Lac County leads the state in electronic subscriptions to this age paced newsletter. Additional parent education is offered through digital e-parenting programming. Money Smart Week continues to expand with 1044 participants participating in the week's financial education offerings. Approximately 400+ FDL High School youth and 65 Community volunteers were involved with the annual Reality Day- Financial Literacy simulation for high school youth. In Fond du Lac County, over 28% of

occupied housing units are renter occupied. Rent Smart/Tenant Education programming continues as a strong program with 89 individuals attending classes. Food Safety/Food Preservation educational programming reached 202 learners. One hundred and eighty teaching contacts occurred through the Strong Women, Strong Bones program, which is a collaboration with UW-Fond du Lac Continuing Education. In addition, 260 direct contacts were made on the areas of poverty and food insecurity.

# FOND DU LAC COUNTY **DEPARTMENT GOALS -- 2016**

DEPARTMENT: GOLF COURSE

#### **PURPOSE**:

Provide quality recreation for the citizens of Fond du Lac County while increasing the quality of life. As an enterprise fund the golf course should be self-supporting and an asset to golfing and non-golfing taxpayers.

#### **GOALS:**

Become a break even enterprise and start re-paying funds borrowed from the general fund.

Attract new daily fee play by providing consistent customer service.

Encourage increased play from current customers with fun events and quality conditions.

Increase mid-day play with select specials and increasing small business outings.

Provide a more consistent green speed through the season by controlling turf growth with agronomic practices and growth regulators.

Provide advertising opportunities for local organizations and businesses to help offset golf course expenses.

#### **ACCOMPLISHMENTS:**

Continued to increase our social media following and customer data base through Facebook and direct emails.

Started a RMGC "App" to provide marketing and scoring to customers and events.

Implemented a foot golf course to increase use of our property.

Have increased our booking of outings and events for 2015 and 2016.
